

## HEALTHY AIR for EVERYONE!

### Dear Guest!

Non-smoking rooms became an international standard. We've adjusted our Hotel to that and you'll find in our Hotel

18 Non-smoking rooms and  
2 Smoking rooms.

The Apartment No. 42 and

The single-room No. 32 are rooms where you are allowed to smoke inside!

All rooms are clearly marked!

**We kindly ask you NOT TO SMOKE in Non-Smoking-Rooms and instead to use the provided space at the car park.**

To clean the rooms of nicotine or the smell of nicotine is connected to a big financial afford. According to that, do we charge the guest who is smoking in a non-smoking-rooms with a fee for the cleaning services of at least 185.00 Euros.

That very penalty is caused by the money we lose due to the not-acceptance of that very room by a non-smoker (we can't let that room for one night), and the expenses for cleaning the fitted carpet, the curtains, the blinds, the matrices and the furniture.

**We would be delighted when you support our campaign "Healthy air for everyone".**

**Thank you very much for your attention. We wish you a pleasant stay.**

Yours Hotel "Peenebrücke"
